Mr Eddie Chang, Chief Executive Officer, Wesurance

Mr Eddie Chang is the founder and CEO of Wesurance. A serial entrepreneur, Mr. Chang is also the founder and Managing Director of GFI Group Inc. and Zida Computer Technologies Limited.

As a veteran in the IT and app development industry, Mr Chang saw great business opportunities in the local Insurtech sector, which he believes is not fully keeping pace with the needs of the new digital generation. In May 2017, he established Wesurance with the aim to offer a convenient, easy-to-use and secure mobile platform for tech-savvy consumers to buy insurance policies via their mobile phones.

Ms Natalie Fong, Chief Operation Officer, Wesurance

Ms Natalie Fong, COO of Wesurance, has been in the IT industry since 1994, she has worked with Intel, VIA and other major Technology companies in implementing the latest trend of technology to the mass. She is also a qualified Financial planning advisor with one of the largest Insurance Company in the world. With over 15 years of rich commercial experience in business development as well as management, Natalie collaborates with Wesurance' s CEO on new plans and products for corporate growth and evolution.

Ms Christine Chow, Associate of International Trade, VeloTrade

Christine Chow manages the daily operations and credit function at Velotrade. Prior to joining Velotrade, Christine served in credit related roles at HSBC. Born and raised in Vancouver, Canada, Christine started her career as a credit analyst at Scotiabank in Canada and later moved to Hong Kong to pursue a MBA degree at the University of Hong Kong. After obtaining her MBA degree, Christine served in credit and risk related roles at HSBC and JP Morgan in Hong Kong.

Mr Wilson Kwok, Founder, Institute of Financial Technologists of Asia (IFTA)

Mr. Wilson C. Kwok graduated from University of Aberdeen, United Kingdom in 1986 with a MA Honours Degree in Accountancy with Economics together with a prize from Ernst & Young, an international accountancy firm, for being the top student in Accountancy class. After his graduation, he joined KPMG, Edinburgh, UK Office for his Chartered Accountancy training and qualified in 1989. Wilson returned from U.K. to Hong Kong and China after his education and Chartered Accountancy training in U.K. and began his public practice career since 1990. Wilson has more than 20 years of experience, he is experienced in handling audit assurance, cross border taxation assignments, project financing and other professional services for the multi-nationals, local and Chinese Companies in Hong Kong and China.

Mr Zach Garman, Product and Business Development at KYC-Chain

Zach Garman works in product management and business development for KYC-Chain, a KYC identity management platform, and serves in the same capacity for the SelfKey foundation, an organisation using blockchain technology to change the way we manage and share our digital identity. Prior to joining KYC-Chain, Zach spent three years at a financial services consultancy. Zach holds a Bachelor of Science degree in Mechanical Engineering from Virginia Tech.
