Ms Prema Shrikrishna, Consultant of World Bank Group

Prema Shrikrishna is an operations champion, a blockchain enthusiast, and has spent over 13 years building sustainable business operations for Fortune 500 companies such as Walt Disney, ABB, and Vodafone in Asia Pacific markets. At MIT, she has published two papers on Blockchain and the future of Digital Trade. Currently, she is also a consultant at the World Bank, providing expertise in validating the scope Blockchain in the future of Supply Chains, Health & Commerce.

Mr. Jeremy Lee, Vice President of CyberSecurity Solutions, APAC, Nexusguard Limited

As Vice President of Cybersecurity Solutions at Nexusguard, Jeremy oversees the formulation and execution of the company's strategy and cybersecurity programs in the APAC region.

Much of his efforts are devoted to fostering and growing the company's strategic partnership with service partners as part of Nexusguard's drive to build a safer, secure and trusted internet. Such partnerships are essentially a network of networks in order for Nexusguard to extend its mitigation capability into every corner of the world.

Jeremy translates solution requirements and ideas collected from customers and partners into strategies and solution features that allow Nexusguard to protect enterprises and institutions from cyber threats.

Ir. Allen Yeung, JP, Government Chief Information Officer of HKSAR

Allen Yeung has extensive business and management experience in the ICT field before joining the HKSAR government in 2015. He holds Executive MBA from HKUST-Kellogg Northwestern University.

As Government CIO, his responsibilities include formulating ICT policies and strategies; leading the E-government programmes; promoting and developing ICT industry as key business and economy driver; and bridging the digital divide.

Dr Winnie Tang, JP, Founder & Honorary President, Smart City Consortium

Dr. Winnie Tang JP is an Honorary Professor in the Department of Computer Science at the University of Hong Kong. She is one of the locally-bred IT entrepreneurs of Hong Kong. In the 1990s, Dr. Tang founded Esri China (Hong Kong) Limited to develop and promote Geographic Information System (GIS) software and solutions.

Dr. Tang is also the Founder and Honorary President of Smart City Consortium. Over the years, she has been actively advocating the use of technology and sharing her views regarding the ICT industry, eHealth, environmental conservation, entrepreneurship and smart city through her services in government and non-government organizations in Hong Kong.

In recognition of Dr. Tang's outstanding contributions to society, she was recognised as one the Distinguished Alumni by the Faculty of Science of HKU in 2009 and as one of the Ten Outstanding Young Persons of the year by the Junior Chamber International Hong Kong (JCIHK) in 2006. Dr. Tang also received the Young Achiever of the Year in the Women of Influence Award presented by the American Chamber of Commerce in 2004.

Mr Gary Yeung, MH, Chairman of eID Committee and Honorary Secretary of Smart City Consortium

As an entrepreneur, Gary started his own business when he was studying in HKUST. Since then, his keen interest in Internet has driven him to focus on Internet-related business and his dedication in the I.T. sector secures his success. He is now the Founder and CEO of Techure Limited, a Digital Agency providing integrated online to offline (O2O) solutions with a pool of PR and IT experts.

As the founding member, Hon Secretary and eID Committee Chairman of the Smart City Consortium (SCC), Gary has focused on developing electronic identification (eID) applications for both China and Hong Kong in recent years. With growing enthusiasm, unique business insight and cutting-edge technology, he is seizing the rare opportunity of China-Hong Kong Smart City development. Apart from contributing to SCC, he also undertakes different professional roles such as Vice-President of E-Commerce Association of Hong Kong, and Founding Vice Chairman and Director of Education & Training Committee of Hong Kong O2O E-Commerce Federation.
