Speakers' Profile 講者簡介
Mr. Warren Chow, Co-founder and CTO of Achiever Technology Limited

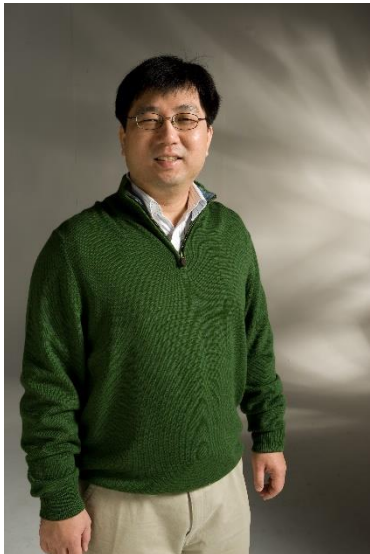

Mr. Warren Chow, co-founder and CTO of Achiever Technology Limited, is the chief architect of many award winning in-house developed enterprise systems. The success of these systems has been recognized by international global research institute as having top market shares in the region and had licensed to over 2000 corporate clients. His strive for innovation had resulted in Achiever having the most complete suite of enterprise systems in the market. With the advancement of IoT technology and machine learning, he had led his team of researchers and developers to partner with Intel and other leading technology giants to continuously developing new solutions for the retail and other industries.

Mr. Joe Sun, General Manager of Thinxtra Hong Kong

Joe has a strong belief that IOT is a game changer. By joining Thinxtra, the exclusive Sigfox operator in Hong Kong, his mission is to bring in world class IOT solutions to Hong Kong enterprise customers and to further consolidate Hong Kong as a IOT hub not only in Asia but also the World. Joe has 20+ years of experience in the Telecom sector and he has a proven track record of business development and successfully defining new strategy and generating new revenue. Before Thinxtra, Joe worked at CSL and heading CSL's mobile solutions development team and focused on delivering innovative IOT solutions for enterprise customers.

Mr. Keith Tsa, Director and Co-Founder of AppTask

Keith Tsa – Director and Co-Founder of AppTask. Keith has been in the ICT industry for over 20 years and instrumental in leading the company to become one of HK’s premiere software house specialized in mobile enterprise application development. Keith is also a serial entrepreneur with successful experience in managing startups in HK, China and U.S. He is also Vice President of TeamNote Inc., with primary business in the research and development of “TeamNote” , HK’s first instant messaging mobile app in enterprise world.

Keith specializes in product development and IT service delivery. Previously he had served in the HKSAR’s OGCIO as Product Manager and Stepstone Solutions (now Lumesse) as Greater China’s Principal Consultant. He had also spent 7 years in JobsDB.COM serving in several senior management roles, including Head of the Product Team and IT Service Team.

Keith received an MBA from University of Texas and a BSc in Information Systems Management from University of Massachusetts.
