**Speakers' Profile 講者簡介**
**Mr Andy Bien, Chief Information Officer, Airport Authority Hong Kong**

香港機場管理局首席資訊主管卞家振先生

Currently the Chief Information Officer of Airport Authority Hong Kong, Mr Andy Bien has been in the Information Technology (IT) industry for over 30 years. He is responsible for the strategic planning and provisioning of IT services to Hong Kong International Airport and its community. He is also active in community works to promote IT industry development, green IT, innovation and talent cultivation.

Trained as an engineer, Mr Bien's technical expertise spans from hardware design, software development to lecturership in tertiary institution. He has extensive business and management experience in the finance, telecommunication, logistics, transportation and aviation industries.

Mr Bien obtained his BSc Degree (Hons) in Computer Engineering from Queen's University, Canada and MSc Degree in Communication

Engineering from Imperial College, University of London.

**Mr Franky Chung, Chief Financial Officer, Xiao-i Robot Technology**

小 i 機器人首席財務官 鍾創新先生

Franky Chung joined Xiao-i in September 2018. As the Chief Financial Officer, he is responsible for financial planning, risk management, fund raising, capital management and investor relations.

Franky has a diverse and ample experience in Hong Kong capital market, having spent over 20 years working for leading international investment banks, Big Four accounting firms and the Hong Kong SAR government, during which he was involved in enormous IPOs, fund raising, and M&A projects. Prior to joining Xiao-i, Franky spent about 13 years working for the Hong Kong

Exchanges and Clearing where he spearheaded the incubation and marketing of IPOs of Chinese enterprises in Hong Kong. Key accomplishments included working on remarkable milestones of launching the Shanghai- Shenzhen - Hong Kong Stock Connect and completing the revamp of the listing rules for new economy companies. In this role, he was also responsible for establishing and maintaining investor relations for HKEx as an eligible trading equity in Mainland China. Leveraging on his extensive business network and financial expertise in Hong Kong and Mainland China, Franky made a significant contribution to the vibrant and sustainable development of the financial market. Franky graduated from The Chinese University of Hong Kong with honors in Business Administration. He also possesses with the professional qualifications of CFA and AICPA.

Franky also serves as the Deputy Chairman of The Listed Companies Council of Hong Kong Chinese Enterprises Association and the Joint Convener of AI and High Technology Group, Hong Kong-Shanghai Chamber of Commerce-Shanghai.

**Ms Winnie Chu, Head of Business Group (Cloud and Enterprise), Microsoft Hong Kong**
**Microsoft 香港雲端及企業商務部主管朱梓欣小姐**

Winnie Chu is leading the Business Group for Cloud and Enterprise business at Microsoft Hong Kong. She oversees end-to-end Cloud and Enterprise business in Hong Kong, working with various local businesses on planning, execution and governance. Prior to joining Microsoft 4 years ago, Chu was at SAP Hong Kong as the Senior Solution Architect for over 2 years. Her key responsibilities include conducting products briefing presentations and demonstrations to customers and prospects; conducting proof of concepts projects on databases, device management solutions, business intelligence solutions and master data management & data quality solutions; conducting seminars on new product and new version launch. Before that, she was with Sybase, a leader in developing and expanding innovative database technology (which later was acquired by SAP) for 4 years.

She joins the technology industry because she finds technology fascinating, it covers a broad spectrum of industries. It encourages creativity and innovation, as well as turns impossible possible.

Winnie holds a Bachelor of Engineering, Information Engineering degree; a Master degree of Science in Information Engineering, and a Master degree of Business Administration from The Chinese University of Hong Kong.
