

SMART MOBILITY AND THE DIGITALISATION OF TRANSPORTATION SYMPOSIUM

REGISTER NOW
BY INVITATION ONLY

The event will be held on:

Friday, 14 October 2022
9:00am - 5:15pm
Hong Kong Convention & Exhibition Centre
Hong Kong

This International Symposium on 14th October (Friday) focuses on smart mobility and the digitalisation of transport. It aims at underlining the importance of Intelligent Transportation Systems in urban development as well as raising awareness of the latest smart mobility solutions among policy makers, professionals and the general public. Prominent speakers from both Hong Kong and Asia Pacific will be invited to share their expertise views and latest developments of their respective countries/cities.
